

雲海 Unkai Tearoom

Unkai is a tearoom built in the sukiya style, rich with the traditional beauty of Japanese architecture. This space, fragrant with the relaxing scent of wood, can be used for a variety of purposes: tea ceremony, flower arrangement, haiku and more, bringing traditional Japanese culture to the future.

A spacious connecting room affording a view of the large room from the antechamber

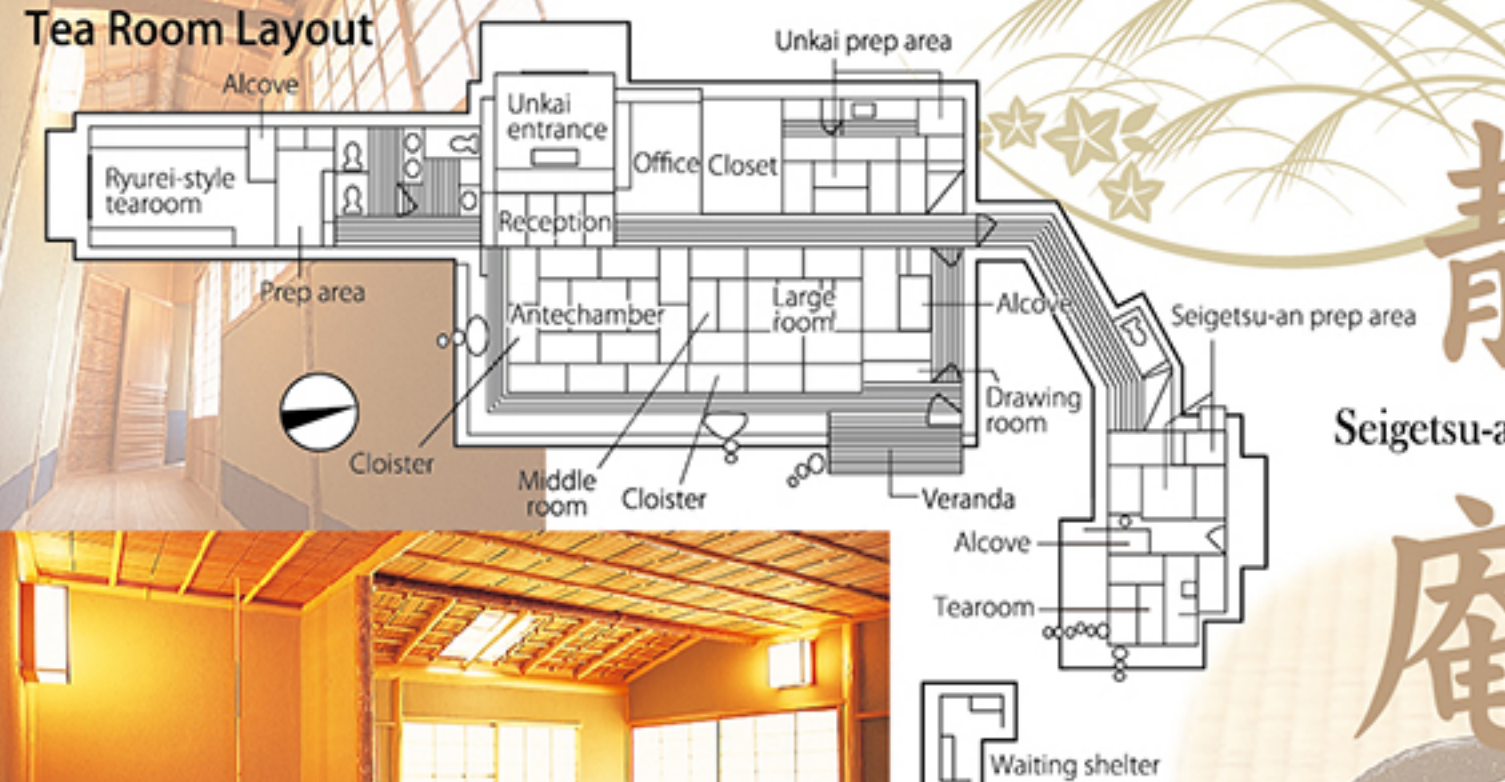

Stepping stones leading from the large room's garden to the cloister

The cloister, looking onto garden greenery and filled with natural sunlight

Tea Room Layout

静月庵 Seigetsu-an

Seigetsu-an is a small tearoom, 5 1/2 tatami mats in size. It has the serene, timeless aura of a tea hut. Step out of the ordinary and enjoy authentic Japanese tatamae as the host attends to his/her guests.

Seigetsu-an's aura seen from the stepping stones

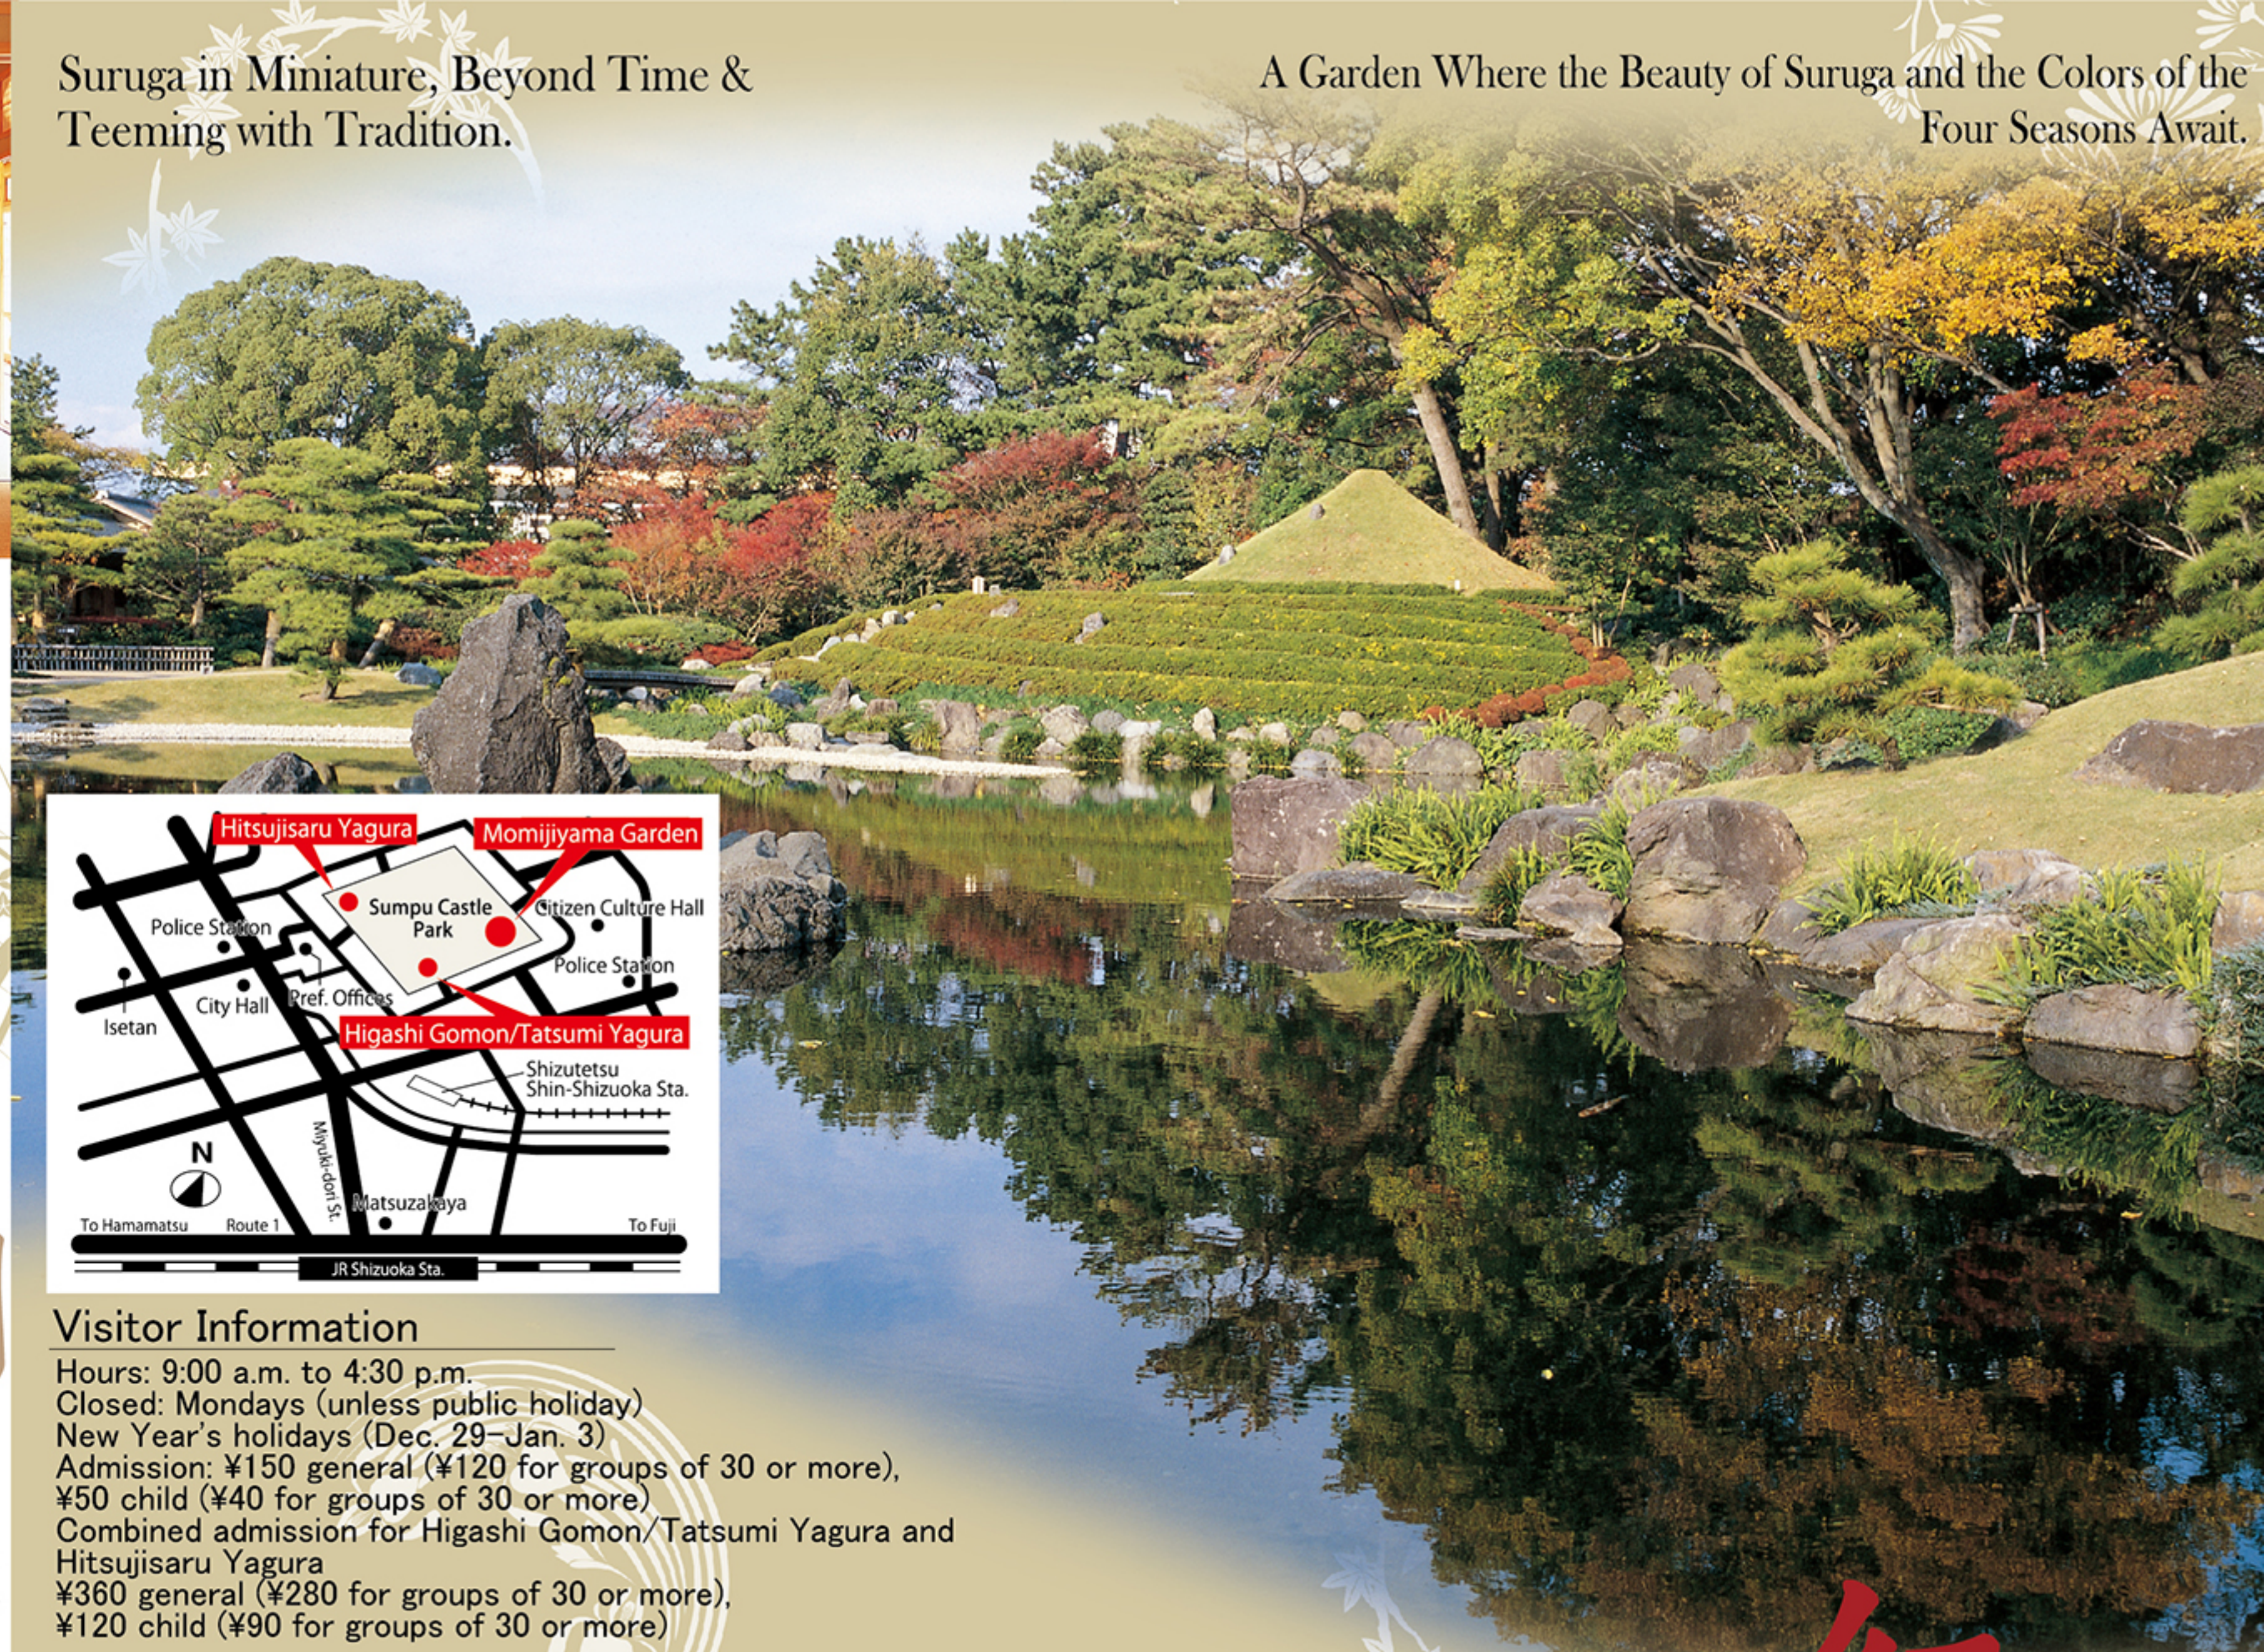

Stepping stones glimpsed from the small door leading into the tearoom

To use or tour the tea room, please call the management office at 054-251-0016.

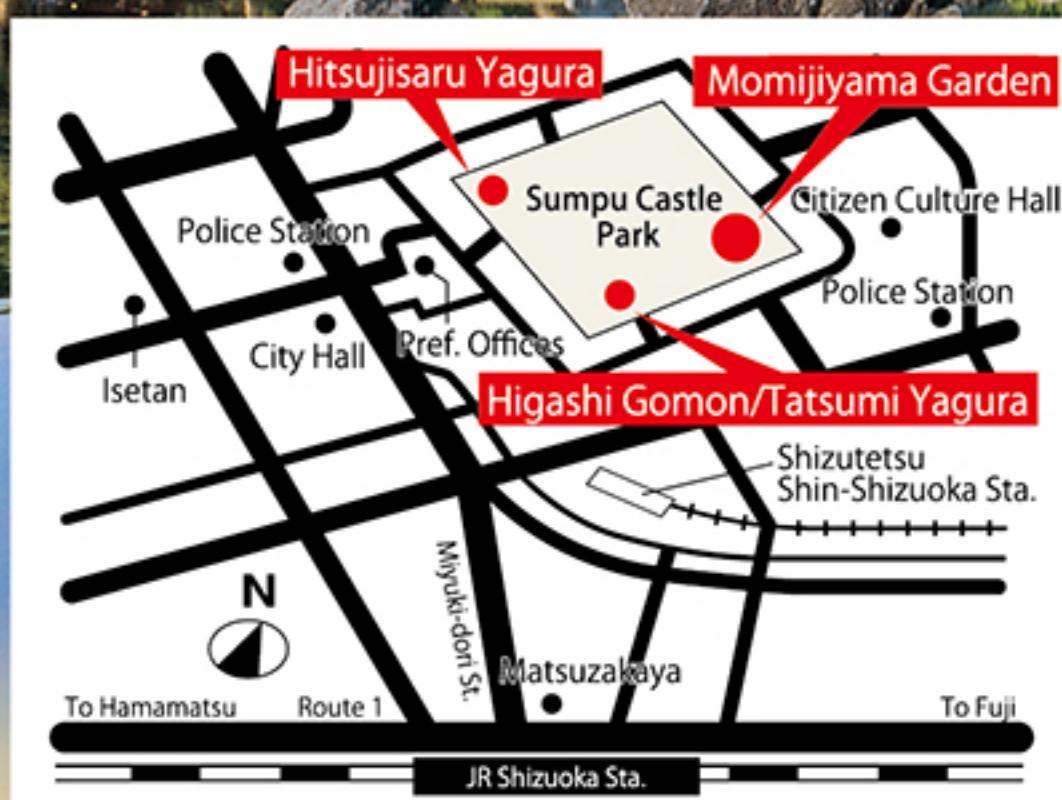

*Use requires an advance reservation and costs a fee. Use may be refused depending on purpose.

*Tours may not be possible depending on circumstances.

Suruga in Miniature, Beyond Time & Teeming with Tradition.

A Garden Where the Beauty of Suruga and the Colors of the Four Seasons Await.
